"Nobody made a greater mistake than he who did nothing because he could only do a little." (Edmund Burke)

It's not just about the science

It's not about the science

"the smallest of deeds is of infinite more value than the greatest of intentions"

The background of the slide features a repeating pattern of the Mines logo, which consists of a stylized 'M' shape formed by three interlocking bands, and the word 'MINES' in a bold, sans-serif font. The watermark is light gray and covers the entire page.
